Connect Telephone & Computer Group Receives Telecommunication Industry's Top Awards

*Technology Assurance Group (TAG)
Selects Connect Telephone &
Computer Group as its Premier
Telecommunication Company at the
2007 TAG National Convention*

BILLINGS, MT — March 27, 2007 — Connect Telephone & Computer Group, a leader in business communications, announced today that the company received two of Technology Assurance Group's top awards at the association's 2007 National Convention held in San Diego in March. Technology Assurance Group (TAG), a national organization of independently owned telecommunication companies representing over \$350 million in products and services, selected Connect Telephone & Computer Group as the winner of the "Sales Performance Award" and "Bronze Circle Award" for exceptional economic performance and superior customer satisfaction.

The distinguished awards are based on overall financial performance, customer satisfaction, and the ability to provide companies with cost effective and state-of-the-art communication solutions. "Connect Telephone & Computer Group was recognized as one of the truly great companies in our industry," said Dale

Johnson, president of Technology Assurance Group. "The company's sophisticated management team, led by its owner Matt Duray, achieved significant success in an industry known for rapid change. By staying at the forefront of the latest trends in technology, they helped their customers improve productivity, increase profitability, and give them a competitive advantage."

Matt Duray of Connect Telephone & Computer Group accepted the award for the company. "These awards illustrate our commitment to complete customer satisfaction," said Mr. Duray. "It is a direct result of our company properly implementing better business practices, building long lasting relationships with all of our customers, educating our team of professionals and empowering them to share their knowledge, and enhancing our performance on a daily basis. We're extremely proud of this achievement and we're striving to exceed this accomplishment in 2007."
